

# Join us this July as we March Fore Mulligans

**Walking, much like golf, is great for your physical health and your mental well-being, so why not join us and raise much needed funds to support our injured veterans.**

*Walk* around your golf course, *walk* to another golf course, *walk* for 18 hours or 18 miles or the distance from your home to the home of golf - *walk* anywhere. It doesn't matter what you do or how far it is.

Your *March* can take place on any day/s throughout the month of July.

A *Mulligan* is a second chance in golf. At On Course Foundation we help to give our beneficiaries a second chance in life by re-igniting their futures through the game of golf.
